

Mission Statement

OUR MISSION IS TO PROVIDE VALUE-DRIVEN, QUALITY EDUCATION TO THE MIDLANDS COMMUNITY.

WE STRIVE TO:

1

Provide a consistently high standard of education.

2

Constantly improve the academic tuition offered.

3

Promote the development and attainment of each pupil's full potential in academic and sporting skills.

4

Offer an efficient, sensible and practical approach to education.

5

Make the best of the latest teaching methods, technology and equipment.

6

Acknowledge our duty to uphold traditions of fairness and equality for all.

Laddsworth Offers:

Value-driven, quality education

Good pupil teacher ratios

A beautiful estate in the KZN Midlands

First-class facilities

A Co-Educational Foundation

Good balance between education, sport and culture

Qualified and experienced teachers

A nurturing environment

Sound traditions, ethos and values

A platform to achieve academic and sporting excellence

LADDSWORTH PRIMARY SCHOOL

History

Laddsworth Primary School was founded in 1903 by Mrs Daisy Ladds. For more than a century, her vision of a school which offers quality education to its community, underpinned by strong values, has been upheld.

Country Setting

Laddsworth is a community orientated family school, set in the heart of Hilton. It caters for boys and girls from Grade One to Seven. The pupils study and play in a bright, vibrant and happy environment in tranquil and healthy country surroundings.

Value Driven, Quality Education

Laddsworth offers value-driven, quality education to its community. This is achieved through small classes, with an equal balance of boys and girls, extended curriculum and highly qualified teachers who are supported by an actively involved School Governing Body.

Values

Laddsworth actively promotes the following values: Loyalty, Honesty, Self-Discipline, Sincerity, Courage and Respect.

Curriculum

Laddsworth follows the CAPS syllabus, but in addition the school offers the following specialist subjects: Media Studies, Music, Drama, Physical Education and Computer Studies.

Academic Excellence

Laddsworth achieves very good academic results every year, and Laddsworth pupils are well prepared to be accepted at their first choice of local High Schools.

Sport & Extra Murals

Pupils at Laddsworth enjoy a wide variety of sporting and extra-mural activities in which all children participate. These include: Athletics, Basketball, Cricket, Chess, Cross Country, Environmental Club, Hockey, Netball, Rugby, Soccer, Swimming and Tennis. Many of the pupils achieve Midlands, KwaZulu-Natal and South African representation in their various sporting and cultural disciplines.

Music & Culture

Laddsworth offers a variety of cultural activities to nurture our children's creative needs. Creative Arts, Music and Drama are part of the curriculum and pupils are able to express themselves in the practical components of these subjects. Laddsworth boasts a Music Department consisting of 2 talented choirs.

Laddsworth enthusiastically celebrates the wonderful achievements that the pupils earn both on and off the sports fields, always encouraging them to honour the school motto....

"Aim High".

Loyalty • Honesty • Self-Discipline • Sincerity • Courage • Respect

Committed Experienced Teachers

Laddsworth is proud to have committed staff with many years of experience in educating boys and girls. The foundation of formal education begins at Laddsworth and gives children an excellent grounding for High School and life beyond.

Facilities

The buildings, facilities and grounds are continually being upgraded to ensure that the school is able to keep pace with the growing demands of first-class education.

Aftercare

The Aftercare Facility is a 'home away from home' for Laddsworth pupils. It is available each school day until 17h00. Pupils have the opportunity to complete homework, play and relax after the school day, in a safe environment.

Outdoor Learning

Classroom learning is extended through field trips and educational outings. Each grade enjoys various outings during the course of the year. These hands-on learning experiences are carefully planned as part of the curriculum.

Laddsworth Growth

Laddsworth Primary School is growing to serve the education needs of Hilton and its surrounds. This will afford more children the opportunity to experience the quality education our fantastic school has to offer.

Join the Laddsworth Family

To arrange a tour of the school please email admissions@laddsworth.co.za or call 033 343 3256 for more information.
